Due to limited funding, there is a \$1,000 limit per household. Applicants may assign to any or all assistance categories, but the total must not exceed \$1,000. All payments will be made directly to vendors. The "homelessness" category will help with your security deposit and/or first months rent up to \$1000.

Applications will be accepted until the end of each calendar month, and then funds will be dispersed with a preference for elders and families with children. If there are any funds remaining, a new application period will begin until all funds are disbursed.
